Barbeque & Drinks sold on-site

Our fundraiser is to benefit the Bulverde Area Volunteer Fire Department and St. Paul Christian Day School. Each organization is non-profit and are both located in Bulverde, TX. Our fundraising is used to provide several programs and equipment for each organization. St. Paul Christian Day School is located in the multi-use facility of St. Paul Lutheran Church of Bulverde. The facility is available for community use and is available for Weddings, Reunions, and Community Events, to name a few. St. Paul hosts the Red Roof Rods and Riders Car Show each year and last year we celebrated the 32<sup>nd</sup> Anniversary of the Living Christmas Event. The Bulverde Area Volunteer Fire Department has been in existence since 1986 and protects 92 square miles of Comal County, Texas. They are first responders, fire preventers, fire suppressors, and community assisters. Each year the community grows, as well as, the demand for and on the fire department. They continue to keep up by putting and planning stations in other locations and buying new and updated equipment.
